- I have been super impressed and it has really warmed my heart how much the booster organization has warmed my heart about the efforts that they have taken to build up the community and the band family. We are going to continue to do these things every year.

**Mr. Lawson:**

- Our virtual concert is at 8 p.m. this evening - it will be shown on YouTube and is a conglomerate of things - I hope you enjoy it. It was all done virtually and it's been quite a semester so far.

- The students have been fantastic and that says a lot about their resilience. It shows a lot about their dedication. I want to encourage you as their parents to continue to support them. Thank you for parenting them the right way.

- We have no update right now as of what's going to happen with the spring season. VHSL has made no additional recommendations for the spring - we are still very much in a holding pattern. I can't say that we'll have answers in January, but hopefully, we will because I think we're scheduled to start in February. Please be flexible. Your kids are doing great. I've been impressed by their interaction in class.

**President (Christina Zetterwall)**

- Filling out forms online: We still have quite a few forms that need to be filled out, so if you could do that, it would be greatly appreciated.

- Does anyone have any questions or anything to add?

**Meeting adjourned:** 7:23 p.m.
