Executive Board Report:

Band Director: Mr. Lawson states that 3 rehearsals are coming up. 74 kids are going on the Disney trip. Payment collection is going well.

There may be a possible Bethel Baptist Church performance 1 or 2 weeks before the Spring Concert. It may possibly be on a Thursday evening and it may not happen this year.

Working on summer Band Camp schedule. Looking at a possible 9th grade rookie band camp before the end of school. 4 weeks are slotted for band camp but please realize that you don't have to come every day all 4 weeks. Some days will be just woodwinds or brass, etc.

There will be two bands once again next year. Mr. Lawson feels growth, experience, and opportunities are important.

Now that Tri-M has gotten started, he sees this group becoming more active.

President: Pam Kelly states no band certificates will be given out this year. Too many students could care less and never picked them up last year. Patches will be given out as in the past.

The following awards will be given out at the concert:

John Philip Sousa Award

Louie Armstrong Award

Director's Award for spirit and dedication

Tabb HS Band Most Improved Award

Percy Ironmonger Scholarship: one scholarship application has been turned in at this time, as reported by Jennifer Williams.

Spring Concert, Awards and Reception: The plan is to present the awards on stage after each performance jazz, concert, symphonic, and percussion(?). Afterwards, we will move into the cafeteria for refreshments. There will be volunteer signups for desserts, veggies, etc. Before students move into cafeteria they must turn in their

uniforms. We will vote for new Board Members. It will be a gathering. A power point will be running and we will ask for senior pictures

At the April TTBP meeting there will be a separate meeting for Disney chaperones and also afterwards, parents can come for Disney trip information, questions and answers.
