Vice President of Fundraising (Rachelle Eckman)

We have currently collected 68 bags = 1700 pairs of shoes. Goal is 2500 pairs, so we need 800 more pairs. We are collecting until April 30, but if we don't collect 800 more pairs, we will have to pay \$xxx in shipping costs. We can take donations until the truck picks them up, but not much past April 30. If you would like Rachelle to pick up a donation, you can text her at 210-850-6806.

Vice President of Community Outreach (Vicky Persaud)

Nothing new to report

Mr. Lawson

- First day back today - saw half of the students and will see the other half tomorrow - we've been catching up and talking about spring marching band experience, which is completely voluntary.
- Essentially we are starting tomorrow from 3:30-5:30 on Tuesdays and Thursdays. They will not need their instruments tomorrow. I understand that it is a very different experience, and if they can't make it this week, that's completely okay - as long as I know they want to participate - just let me know. We want to make this as low-stress as possible. The students should be allowed to stay after school until practice. There will still be masks and they should bring 1-2 water bottles because there is no sharing, and there are no refilling stations.
- Performances are going to be community-based - like we did in 2018. Looking to perform for workers with organizations we have partnered with like the Natasha House; the York Convalescent Center has already asked us to perform. Also hoping to play for one each girls/boys soccer, softball and baseball game (pregame - National Anthem, Fight Song), senior sports banquet, etc.
- Should be done by or before Memorial Day. Would love to play for senior night for sports.
- Students will receive band shirts, and we are going to do end-of-year awards.
- We are also still planning an 8th grade night and senior night - even for the seniors who don't participate in the band experience this spring - I want to recognize all seniors.
- It's looking like the spring concert will be virtual, since half the students are attending classes virtually
- If you have any questions, please feel free to email me

TTBP President (Christina Zetterwall)

- Bricks - we're going to get those delivered and figure out where to lay some of them now that the Eagle Scout project is finished.
- No tag day this year

- Board members of seniors will be leaving this year, so we're looking for new board members, specifically the fund raising vp and potentially a volunteer coordinator if the secretary does not fill that position. If you know anyone that would be interested, please let Mr. Lawson know.
- Garage door - going to see if we can get that done over the summertime.
- Percy Ironmonger scholarship due April 30, so any seniors who are interested should submit their application/essay.
currently waiting on a number of factors - hopefully before next school year begins.

Meeting adjourned: 7:44 p.m.
